For any further query in this regards, the interested parties may contact the Fair Office at SIDAC, Handicrafts Complex, Gandamunda, Bhubaneswar, Ph: 0674-2350318.

The authority reserves the right to accept or reject any or all tenders without assigning any reason thereof.

Sd/-
Joint Secretary to Govt, HT & H Deptt & Member Secretary, SIDAC
GENERAL TERMS & CONDITIONS

1. Sealed Tenders are invited from reputed Decorators / Contractors for construction of Theme Pavilion, Stalls, Front Gate, Stage, PH work, Electrification work and other services for the proposed 11th Toshali National Crafts Mela - 2016 to be held from 15/12/2016 to 27/12/2016 at Janata Maidan, Chandrasekharpur, Bhubaneswar.

2. The duration of the Mela shall be 13 (Thirteen) days. However, in case it is extended up to 3 (three) days, no extra payment shall be made to the Contractor / Decorator. In case the Mela extended for more than three days extra payment for each extended days(s) beyond 16 days shall be made at the rate not exceeding proportionate cost for 16 days. On completion of the Mela, the Contractor / Decorator shall have to take away all the materials within 3 (three) days and shall have to vacate the site. He shall have to pay 25,000/- (Rupees Twenty five thousand) only per day for the days he occupies for vacating the site beyond the period allowed therefore. It is the responsibilities of the Contractor / Decorator to obtain clearance certificate from the Ground Authorities regarding clearance of the ground.

3. The Mela premises shall be formally made available to the Contractor by Mela Authority on, as is where basis is on 8th December 2016. The construction work must start immediately at site on the same day and be completed and handed over to the Mela Authority formally by 5.00 P.M. on dated 14th December, 2016 positively. The progress of the work shall be checked and supervised by officers duly nominated by the Mela Authority to ensure that the work is done as per the specifications and time schedule. Tenderers are advised to inspect the site for physical condition before tendering.

4. In case any portion of work is not completed as per laid down specifications and handed over to the Mela Authority on the due date, penalty up to 5% on the total value of work allotted/awarded will be imposed per day by the Mela Authority.

5. The volume and number of works may vary at discretion of the Mela Authority; up to 40% of the contracted work either way & final payment to the contractor / decorator shall be regulated on the basis of actual work executed and on the rate(s) initially approved. For extra fittings contractor / decorator will have to quote rate separately. For all such extra fittings, the Mela Authority reserves the right to pay the lowest of the rates quoted by the competing contractor / decorator.

6. The Contractor / Decorator will be responsible for up keep and maintenance of the entire work done by him till the closing of the Mela, for which, no extra payments shall be made. He shall therefore, have to ensure adequate number of carpenters/helpers to the satisfaction of the Mela Authority/Architect of the Mela. Breakages and damages in any work shall immediately be settled and no extra payment will be made for any damage, breakage or loss on account of any reason or natural calamities. Lay out plans etc. of the site shall be provided by the Mela Authority. Mela Authority reserves the right to reject any or all tenders without assigning any reason or to accept any portion of the tender and award the remaining work to any other Contractor / Decorator.

7. No part of the contract will be sub-let without the prior written permission of the Mela Authority.

Accepted by Contractor/Decorator
8. It shall be the responsibility of the successful Tenderer to obtain requisite permission for water, electricity power, and other essential connections/services at the Mela Ground for the duration of the Mela i.e. from the date the ground is handed over to the contractor / decorator for construction to the date the ground is handed over back to the Local Authority from whom it has been taken on rent. It shall also be responsibility of the contractor /decorator to liaise with the concerned authorities and arrange all the PH, electrical connection and other amenities that may be required for running of the Mela. However, security deposits, if required, shall be made by the Mela Authority. Letters to the concerned authorities shall also be addressed by the Mela Authority. Security deposits, installation charges and consumption charges for all PH and electrical connections for the duration of the Mela while shall be paid by the Mela Authority, the contractor / decorator will however, have to pay all installation & consumption charges, both PH and electrical for the duration he takes over the ground to the time he formally hands over the complete work of the Mela to the Mela Authority.

9. The contractor shall execute the work confirming to the requirements of fire safety guidelines of NBC/Local fire authority and shall obtain the required clearance certificate from the fire authority for the infrastructure erected at the Mela ground at his own risk. However the required correspondences shall be provided by the Mela Authority to the contractor.

10. In regard to electrical fittings etc, the contractor shall have to engage qualified licensed Electrician / Contractor entitled to erect, handle and maintain high tension supply line and its up keep and maintenance.

11. In regards to sweeping and cleaning services etc. the contractor shall have to engage experienced and licensed agencies to provide such services on behalf of the contractor.

12. The contractor shall not use any materials other than those specified in tender without the prior permission of the Mela Authority/Architect of the Mela.

13. The contractor shall have to obtain the required structural stability certificate from the competent authority for the infrastructures erected at the Mela ground at his own risk. However any correspondence required from the Mela authority will be provided to the Contractor/Decorator.

14. No Advance shall be paid to the Contractor / Decorator till completion of the work and handing over to the Mela Authority. However, part payment up to 80% of the contract value of the total work may be considered for payment to the Contractor / Decorator within 3days time of the inauguration of the Mela subject to satisfactory completion of the work in due time. The balance final payment of the work will be made only after completion of the Mela and handing over of the ground to the Ground Authority (BDA).

15. All the Tenderers should fill the rate tendered in figures as well as in words. The tender form may be filled in English and all entries made by hand and written in ink. Over writings in rate is not permitted. All corrections should be attested by the tenderers with his initials as many times as corrections occur. Each page of the tender form and other related papers submitted there-with should be signed by the Tenderers. Any discrepancy in the rates written in figures and words, then rates written in word is final. Similarly discrepancy in the rates quoted for unit rate and total amount, and then the rate quoted for unit is final.

Accepted by Contractor/Decorator
16. The Tenderers are required to deposit an earnest money of Rs.2,40,000.00 (Rupees Two lakhs Forty Thousand) only. The amount of earnest money will be accepted only in the form of Demand Draft/Bankers Cheque drawn in favour of the SIDAC, Bhubaneswar. Only those tenderers who have necessary expertise and competency in the execution of the job within the stipulated time should submit the tenders. The tender without earnest money shall not be accepted.

17. While submitting the tender, the tenderers should submit the following in Prequalification Bids:-

i. Cost of Tender documents of Rs. 10,000/- (non refundable) in shape of DD drawn on any Nationalized Bank/ Scheduled Bank in favour of State Institute for Developments of Arts & Crafts, Bhubaneswar payable at Bhubaneswar. In case of purchase of tender documents, original money receipt to be enclosed.

ii. EMD of Rs. 2,40,000/- (Rupees Two Lakhs Forty Thousand only) in shape of DD drawn in any Nationalized Bank / Scheduled Bank in favour of State Institute for Developments of Arts & Crafts, Bhubaneswar, payable at Bhubaneswar.

iii. Self attested photocopy of valid TIN registration certificate of similar nature of works (in VAT-103 form) and valid VAT Clearance Certificate (in VAT-612 form) and return copies (in 201 form) for the year 2015-2016.

iv. Self attested photocopy of PAN, TAN, up-to-date IT acknowledgement receipt for last Three years upto- 2015-2016.

v. Self attested photocopy of Service Tax Registration certificate (in ST-2 form), up-to-date return copies (in ST-3 form) and service tax deposit challan as proof of the annual turnover till 2015-2016.

vi. Self attested photocopy of valid electrical license from Competent Authority or authorization from any registered electrical contractor having experience in executing such type of works for execution of electrical work. In case of authorization from any registered electrical contractor, the self-attested copy of the valid electrical license of contractor has to be submitted.

vii. Self attested copy of the Work Order / past experience confirming execution of three similar National/International fares or similar assignment worth of Rs. 50.00 lakhs (Rupees Fifty lakhs) or more in a single work order and its completion certificates in last seven years (up to 31/10/2016) in Govt. or Govt. aided organizations

Or

Two similar completed works costing not less than Rs.60 Lakhs (Rupees sixty Lakhs) or more in a single work order and its completion certificates executed in last seven years (up to 31/10/2016) in Govt. or Govt. aided organizations.

Or

One similar completed works costing not less than Rs.100 Lakhs (Rupees One hundred Lakhs) or more in a single work order and its completion certificates
executed in last seven years (up to 31/10/2016) in Govt. or Govt. aided organizations.

viii. Audited Statement of accounts (Balance Sheet & Profit Loss account) of the firm for similar nature of business showing turn over not less than 1 Crore for each of last 3 financial years and IT Return acknowledgement.

ix. The Tenderer shall have to furnish the willingness of a Registered Security Agency along with their registration certificate and other required statutory documents necessary for a security agency.

x. The Tenderer shall have to furnish the willingness of a registered sweeping service agency along with their registration certificates and other required statutory documents necessary for sweeping services.

18. The Mela Authority is not bound to accept the lowest tender and reserves the right to inspect / verify the stock of materials required for this work, in Godown of tenderers by nominating a Committee to ascertain the credibility of the firm. Further the undersigned/Mela Authority reserves the right to reject any or all tenders without assigning any reasons. Conditional tender in any form whatsoever will not be qualified/considered and will be liable for outright rejection.

19. The successful Tenderer shall immediately and not later than the next day of intimation of acceptance of the tender, sign an agreement in Non-judicial stamp paper of appropriate value with deposit of 10%(Ten Percent) of the Contract Amount, in shape of Bank Guarantee towards performance security till completion of the works. The performance security of 10%(Ten Percent) includes the amount deposited as EMD with the tender document. Failure to do so shall give the Mela Authority the right to revoke the acceptance of the tender without further notice to the Tenderer, forfeit the earnest money deposits and award the work to any other contractor / decorator.

20. The successful Tenderer shall have to arrange sanitary and water supply arrangements for his/their workers to avoid unhygienic condition inside the Mela ground.

21. The Earnest/Security Money of successful Tenderer will be retained for successful completion of the contract and shall be returned only after Mela is over.

22. The Tenderers shall have to quote their rates for hiring charges only inclusive of erection, transportation and dismantling, but exclusive of statutory taxes. The tenderers shall have to specify clearly the statutory taxes if any.

23. The cultural programme shall be conducted by running generator and the same is to be provided by the contractor / decorator as per requirement without any extra cost.

24. All the items of works shall be executed as per the direction of the Architect appointed by the Mela Authority and the decision of the Architect as regards to design concept is final and binding on the contractor / decorator.

25. The Tenderers are required to quote their rates per unit for entire period of the Mela.
26. The contractor / decorator shall ensure the security agency engaged by him/them possesses all statutory criteria laid down by Govt.

27. The contractor / decorator shall have to liaison and obtain the required clearance of Fire, Police and Structural stability etc. from competent authorities. However, required letters to the concerned authorities shall be addressed / issued by the Mela Authority.

28. The Mela Authority will read and include the Commissioner Cum Secretary to Government, Handlooms, Textiles & Handicrafts Department, Government of Odisha.

Joint Secretary to Govt, HT & H Deptt & Member Secretary, SIDAC

The structures should be steady and neatly finished. The basic structure is to be constructed with Balli Pillars and the rafter and purlins with bamboo at a distance not less than 2’ in confirmation with drawings. The roof is to be covered with good quality tarpaulin and roofing material as specified in drawings / schedule and should be without any imperfection and holes to prevent leakages of water in the advent of rains in order to protect the products of the participants. Sufficient slope is to be provided to ensure water drainage in case of rains. Proper bracings at a distance of 1’ (both vertical and horizontal) with 19mm block board/Ply on top should be constructed to give platform enough strength and to withhold the anticipated crowd to the Mela. The approved quality synthetic carpet should be laid over the platform. The gap between ground and platform should be covered with 4-mm ply/cloth with painting according to design concept.

All visible stall backsides to be painted/designed with motifs of approved design.

The back and side walls should be made of 4’x4’ frame work of not less than 3” x 1” vertical and at least 1” horizontal frame work covered with 4 mm. Ply board on both sides or as per approved drawings. Dividing walls should also be made as per the above specifications. The minimum height of the walls from platform should be as per drawing. The new cloth ceiling of approved shade/colour with necessary wooden frame work should be fixed at appropriate height. A step at the entrance should be provided to enable the visitors to the Mela in case it is required. The frontage and top covering should be provided in conformity to the approved designs.

Sale counter and cash counter is to be fabricated either with iron folded table or with 18 mm. Commercial block board/wooden post and shelf/similar nature of materials as per site requirement and properly painted with approved shade colour as per approved drawings and as specified in schedule of works.

Storage racks should be provided in each stall/pavilion and should be fabricated either with iron folded racks or with commercial block board/wooden post and shelves/similar material or three tire storage racks covering with cloth as specified in schedule of works and drawings.

The State name and Stall serial number of the stalls shall be written on vinyl snickering over sunboard and fixing the board to the stall fascia conforming to the design or as directed by competent authority.

Adequate nos. of Fire Extinguishers as approved by Fire Authority shall have to be installed both for common and electrical fire safety. Similarly, adequate nos. of buckets (specially designed for firefighting) containing water and sand to be installed. They should be installed at places as directed by the Fire Authority. The electrical installation must conform to relevant IS Code and the work should be carried out only the competent licensed Electrical engineer. The Contractor shall have to obtain the Fire Safety Certificate at his own risk from the concerned fire authority. Electrical light and fan fittings to be provided with necessary wiring on main line separately for (a) fan (b) light (c) night lamp, distribution and point wiring including switch, main switch etc., using ISI standard wire and light fittings complete as may be approved by the local electrical authority. All fittings should be properly

Accepted by Contractor/Decorator
focused to enable enough/proper lighting at the sales counter and general lighting at the stall/pavilion.

The nos. of electrical fittings will be provided as specified in tender schedule under the items of the works.

Contractor should provide requisite number of Inverters as stand by so as to provide connections to the number of lights as required for stage, VIPs Lounge and Control room, in the case of power failures. Cost of the inverters should be covered while quoting per sq. ft. rate for such items. The capacity of the inverters must be such as to meet the load of the above requirement.

All electrical works including fittings and fixtures and wiring must be done through a licensed Electrical Contractor borne in the current approved list of PWD (Electrical/CPWD, etc) who will submit and obtain necessary approvals and submit TEST FORM to Executive Engineers, CESU / Electrical Inspector Govt. of Odisha (Electrical for Power connections).

The Contractor shall quote rental for the following items for the duration of the Mela. The rental shall be inclusive of all wiring, trenches inclusive of all cabling from switch transformer to boards, distribution boards for each cluster of shops to main panel board for three phase meter for requisite power load inclusive of all equipment structures and fittings as required for the electric supply and contact from the supply terminal to and inclusive of distribution board for a cluster of shops as approved. Installation of transformer(s) shall also be the responsibility of the contractor. He shall also supply fix and maintain HRC fuses. TP switches fuse kits, DP switch fuses, porcelain Kit-kat etc., required for the distribution of power to individual shops. Complete safety measures shall be adopted and all cable joints etc., properly earthed with copper conductor and sufficient earthing pits provided under direction and approval of the Mela Authority/CESU. The rental shall include constant attendance of the qualified and experienced electrician for the maintenance and service (entirely at the cost of the contractor) as required, i.e. minimum 6 numbers of electrician in A shift (5 am to 1 pm), 15 numbers of electricians in B shift (1 pm to 9 pm) and 6 numbers of electricians in C shift (9 pm to 5 am) along with supervisors in all shift to technically guide the technicians in proper uniform bearing the logo “ELECTRICIAN OF MELA” having license / certificates to entitle to handle and maintain such electrical arrangements. The temporary electrical connection and consumption charges required for construction period shall be obtained by the contractor at his own risk and cost. In case it is provided by the Mela Authority then consumption charges for the duration of the Mela shall however be borne by the Contractor / Decorator.

Besides the Tube light (T5) / CFL light, spot lights, fans etc. mentioned in the general construction, the contractor / decorator has to provide the lighting arrangements as per the requirements of the Mela ground. Providing and fixing Halogen light outdoor type water proof fittings complete the underground wiring and steel fixing brackets of 75mm x 6 mtrs high (‘A’ class steel poles duly painted black or as per instruction of the Mela Authority. Providing and fixing T5 / CFL light etc. in the parking area. WC bathroom, etc., as per the instructions of the Mela Authority. The number of lights should be sufficient to avoid darkness and as per instructions given by Mela Authority. Complete public address system with a powerful (PA 60) switch over type amplifier with 2 microphones, tape player and 20 numbers loudspeakers strategically placed on the ground and parking area is to be provided. A full time operator and a full time announcer as approved by Mela Authority shall be provided by the Contractor / Decorator to operate the Sound System, play cassettes of recorded instrumental music and to announce the required information as & when required. The control, amplifier etc will be located in or near the office as specified / directed by Mela Authority/Architect of the event.

Accepted by Contractor/Decorator
Construction of office, Logistic stalls, Institutional and other stalls and pavilions shall be executed as specified in the tender schedule and design concept etc. and as directed by the Mela Authority/Architect of the Mela. A separate toilet attached to the office and VIP lounge to be provided with all required sophisticated fittings and fixtures. Apart from the above the contractor / decorator shall have to provide one set of Computer with one Programmer-cum-Operator for full time of Mela for required Data Entry and official works. The Logistic stalls and Institutional stalls should be provided with required furniture and fixtures as specified in the tender schedule or as directed by the competent authority.

A Theme Pavilion as per specification and as per approved design with provision of minimum 3000 sft usable area for exclusive showcasing of Appliqué craft of the state with a tagline "Appliqué in Fashion" and as directed by Mela Authority at Mela site. The size and specification of the structure will be as specified in scheduled of works and as per approved design and drawing or as directed by Architect.

A Garage for fire attendees is to be provided as per tender schedule or as directed by the Fire Authority at site. Construction of First-Aid Centre shall be as per logistic requirement with provision of one medical bed, one fridge and deep green door /window cotton and as directed by the First-Aid Authority.

An exclusive stall with 10 nos. of wheel chair with two attendees shall be provided for Universal accessibility.

The above specifications are the minimum requirements. Further instructions on the spot will be given by the First-Aid/Fire/Bank/PO/Police/Different Committee Head, in case any deviation is deemed necessary. No extra payment shall be made to the contractor decorator for all such addition/alterations.

**FOOD COURT:** Size and specification of such stalls with kitchen as per approved design and as specified in the schedule of work. The walls and ceiling of the Kitchen to be made with GCI Sheets of steel structures required as per Fire safety norms. Electrical wirings inside the stalls should be done in such a manner so as to avoid the fire hazards. Flooring should be leveled and raised with 3” bricks or as specified in the tender schedule or as directed by the competent authority at site.

A proper stage and dais as specified in tender schedule should be provided with required furniture and fixtures. Any deviation required at site may duly attended by the Contractor / Decorator for which no extra payment shall be considered.

All the material used for construction of stalls and pavilions etc., should meet the approval of the Mela Authority. Not withstanding anything contained in the aforesaid clauses and in the accompanying schedules, the Mela Authority is competent to effect change of the venue and to the schedules accordingly or even cancel the Mela before the work is formally awarded and the contractor / decorator shall not have any claim against the Mela Authority for the preliminary work(s) or any other expenses incurred by the contractor / decorator in connection with this tendering for the work and further proceedings thereon until such alternation or cancellation.
